AN ACT Relating to State Salaries for Persons Receiving Pay from United States Government.

---

Be it enacted by the People of the State of Maine, as follows :

**Retired officers not to work for state.** No person shall hold a civilian office or position, appointive or elective, under the government of the state of Maine, involving salary from the state, who during the period of such incumbency, is receiving retired pay from the United States for or on account of services as a commissioned officer in any of the services mentioned in the U. S. Pay Adjustment Act of 1922 (U. S. C. title 37), at a rate in excess of an amount which when combined with the annual rate of compensation from such civilian office or position, makes the total rate from both sources more than \$2,500.00.

As used in this act, the term "Retired pay" shall be construed to include credits for all service that lawfully may enter into the computation thereof.

This act shall not apply to any person whose retired pay plus civilian pay amounts to less than \$2,500.00.
