AN ACT to Regulate the Distribution of Public Funds to Hospitals.

---

Be it enacted by the People of the State of Maine, as follows:

**Condition attached to hospital appropriations.** All hospitals in this state which receive any public funds appropriated to assist in the care of residents of the state, shall admit osteopathic physicians who are in good standing and licensed to practice obstetrics and surgery according to the laws of the state, to treat therein their own paying patients in private rooms; provided, however, that any such hospital may, at its option, set aside certain rooms therein for the use of such physicians as an osteopathic unit.
