AN ACT relating to examination of employees by physician of employer.

Be it enacted by the People of the State of Maine, as follows:

R. S., c. 55, § 21, amended. Section 21 of chapter 55 of the revised statutes is hereby repealed, and the following enacted in place thereof, to read as follows:

'Sec. 21. Examination of employee. Every employee shall, after an injury, in the city or town where he resides or where he is confined for treatment by any physician, at all reasonable times during the continuance of his disability, if so requested by his employers, submit himself to a physician or surgeon authorized to practice as such under the laws of this state, to be selected and paid by the employer.
