Whereas it is contemplated that said South Portland Sewerage District in the event of the enactment of this bill will apply to the Federal Emergency Relief Administration for funds which will be of substantial assistance in the construction of said sewers and in the employment of labor in said city; and

Whereas the enactment of this bill is essential to enable said South Portland Sewerage District to avail itself of further aid from said Federal Emergency Relief Administration in the construction of said sewers; and

Whereas is the judgment of the legislature these facts constitute an

emergency within the meaning of section 16 of article XXXI of the constitution of the state of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety, now, therefore ;

Be it enacted by the People of the State of Maine, as follows :

To procure funds for the purposes of this act, and for such other expenses as may be necessary for the carrying out of said purposes, **including the refunding of any outstanding notes and bonds of said district,** the said district, without district vote, but by action of its board of trustees, is authorized to issue its notes and bonds in one series or in separate series from time to time, ~~to an amount not exceeding the sum of six hundred thousand dollars~~ **provided that the aggregate principal amount of bonds and notes issued and outstanding shall not at any one time exceed the sum of six hundred thousand dollars.** Said bonds shall be a legal obligation of said district, shall be a legal investment for savings banks in the state of Maine, and shall be tax exempt. Each bond or note shall have inscribed on its face the words “South Portland Sewerage District Bond,” or “South Portland Sewerage District Note,” as the case may be, and shall bear interest at such rates as the trustees shall determine. If said bonds be issued from time to time each authorized issue shall constitute a separate loan. Each loan shall be payable in annual amounts of principal, beginning not more than one year from its date, or made to run for such period as said trustees shall determine, but no series shall run for a longer period than 25 years from its date.

All bonds or notes issued by said district shall bear the district seal, and shall be signed by the treasurer and countersigned by the president of said district, and if coupon bonds be issued, each coupon shall bear the facsimile signature of the president and treasurer.’

Sec. 2. § 9 of c. 81 of P. & S. L. of 1925, amended. Section 9 of chapter 81 of the private and special laws of 1925 is hereby amended to read as follows :

All sums of money received or recovered by said trustees by reason of any assessment upon the persons or property of individuals in said district shall be added to said sinking fund, or used for the payment of notes or temporary loans.

Whenever any bonds of said district become due, or can be purchased by said trustees on favorable terms, said trustees shall, if sufficient funds have accumulated in said sinking fund, redeem or purchase said bonds, and cancel them. ~~In no case shall bonds so cancelled or redeemed be re-issued. In case the amount of said sinking fund shall not be sufficient to pay the total amount of the bonds falling due at any one time, authority to issue new bonds sufficient to redeem so many of said bonds as cannot be redeemed from the sinking fund is hereby granted to said district, but in no case shall new bonds run beyond twenty-five years from the date of the original issue.~~
