EIGHTY - SEVENTH LEGISLATURE

Legislative Document

No. 683

In Senate, February 26, 1935.
Read and accepted and placed on file.

ROYDEN V. BROWN, Secretary.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
THIRTY-FIVE

To the Honorable President and Members of the Senate:

In accordance with Senate Order dated February 21, 1935 I am herewith enclosing information regarding the ingredients and approximate cost of such cosmetics as have been analyzed by this department.

Respectfully submitted,

GEORGE H. COOMBS, M. D.
Director, Bureau of Health.

COST DATA

The following is a list of such ingredients and such percentages which if combined would produce a preparation similar to the preparations specified and is based upon partial analyses made by the bureau of health.

The preparations listed consist entirely of preparations which have been purchased on the open market.

Estimates of cost based upon the ingredients listed were estimated at the retail price of the ingredients in pound quantities according to latest information available and make no estimate for compounding or other incidental expenses.
