### **AN ACT** Relating to Temporary Permits for Motor Vehicle Contract Carriers.

---

Be it enacted by the People of the State of Maine, as follows :

**P. L., 1935, c. 146, § 5.** Section 5 of chapter 146 of the public laws of 1935 is amended by adding thereto a new subsection to be numbered (E) :

‘(E) When the operation proposed by any applicant for a contract carrier permit authorizing the applicant to engage exclusively in the transportation of forest products or milk and cream (including empty milk and cream containers) is not contrary, in the opinion of the commission, to the declaration of policy as set forth in section 1 of chapter 259 of the public laws of 1933 and will not seriously infringe on common carrier service, the commission may issue a temporary permit authorizing such transportation and hold the prescribed hearing at a later date and then determine whether a permit shall be finally issued; distinguishing plates shall be provided for holders of temporary permits, but no temporary permit shall be issued unless the applicant has paid the fees and procured insurance as required by sections 7 (B) and 9 of this chapter.’
