**"A History of Education in Maine"; purchase of copies. Resolved:** That the state purchase 100 copies of the book entitled "A History of Education in Maine" written by Dr. Ava H. Chadbourne of Orono, at a price of \$4 per copy, said books to be exchanged or distributed at the discretion of the state librarian; and that there be, and hereby is, appropriated for this purpose the sum of \$400.

## STATEMENT OF FACTS

This book meets a long felt need and will prove to be a standard work upon the subject for a long time to come. Going back to 1602, the earliest beginnings in Maine, an interesting account is given of the indifference to education existing until Maine became a part of Massachusetts, and there follows a most entertaining and valuable study.
