Legislative Document

No. 463

H. P. 1223

House of Representatives, February 4, 1941.

Referred to Committee on Ways and Bridges. Sent up for concurrence and 500 copies ordered printed.

HARVEY R. PEASE, Clerk.

Presented by Mr. Pierce of Bucksport.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
FORTY-ONE

RESOLVE, in Favor of Approaches to the Waldo-Hancock Bridge.

Approaches to Waldo-Hancock bridge; appropriation for. Resolved: That the sum of \$3000 be, and hereby is, appropriated from the funds received from the operation of the Waldo-Hancock toll bridge (notwithstanding any previous law relating to the disposal of said funds) to be expended by and under the direction of the highway commission to build a suitable sidewalk from the Waldo-Hancock bridge to the bridge from Verona to Bucksport.

STATEMENT OF FACTS

The streets are crowded because of the excess thru traffic and the town has no funds to build a sidewalk. This would not be needed if it were not for the thru traffic.
