S. P. 273

House of Representatives, February 6, 1941.

Referred to Committee on Public Utilities in concurrence and 500 copies ordered printed.

HARVEY R. PEASE, Clerk.

Presented by Senator Dow of Oxford.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
FORTY-ONE

**AN ACT to Enable the Plantation of Lincoln to Produce and Distribute
Electricity within Its Territorial Limits.**

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Authority to produce and distribute electricity. The plantation of Lincoln is hereby empowered and authorized to acquire, own, maintain, and operate a plant or plants, with necessary equipment and transmission lines, to enable it to produce and distribute electricity for street lighting or other public purposes, and for domestic and industrial uses; provided, however, that such operation and distribution shall be conducted without financial profit and be confined to the territorial limits of said plantation.

Sec. 2. Purchase of property. Said plantation of Lincoln may acquire by lease or purchase the plant, equipment, transmission lines, good will and franchise of any person, firm or corporation now operating in said plantation as a public utility producing and distributing electricity.
