**RESOLVE, to Reimburse the Town of Blaine for Replacement of a Culvert.**

---

**Town of Blaine; compensated. Resolved:** That there be, and hereby is, appropriated, the sum of \$189.66 to be paid to the town of Blaine as a settlement in full for monies and material furnished by the town of Blaine in replacement of a culvert; said sum to be paid from the general highway fund.

### STATEMENT OF FACTS

The above named account was expended by the Town of Blaine to replace a culvert put in by the state which was worthless. The above named amount includes work on the entire ditch which was practically filled up since no drainage was passing through it. It seems that the original error was made by the state highway commission through its engineers and therefore the town of Blaine should be reimbursed for the above sum expended in replacing a new culvert.
