**RESOLVE, for Repairing Fish Screen at Outlet of Messalonskee Lake.**

---

**Fish screen at Messalonskee lake; repairing of. Resolve:** That the sum of \$1,000 be, and hereby is, appropriated, to be taken from the appropriation for the maintenance of the department of inland fisheries and game, to be expended by the commissioner of inland fisheries and game for repairing the fish screen at the outlet of Messalonskee lake in the town of Oakland, county of Kennebec.

### STATEMENT OF FACTS

This screen was built in 1929 and due to ice conditions and general wear over a period of years it is now badly in need of repairs. The screen is at the outlet of the whole Belgrade Chain of Lakes and as these lakes are stocked it is necessary that this screen be in good repair.
