STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
FORTY-SEVEN

**RESOLVE, Providing for Additional Appropriation for Certain
Construction at the Bangor State Hospital.**

Bangor state hospital; additional appropriation. Resolved: That the sum of \$500,000 be, and hereby is, appropriated from the "Maine Post-War Public Works Reserve" to augment and become a part of an appropriation made by the 92nd legislature for new construction at the Bangor state hospital and provided for in chapter 113 of the resolves of 1945.

This appropriation shall not lapse and shall be carried forward from year to year until such time as the buildings are constructed and the work completed.

This construction shall begin as soon as practicable, contingent upon the availability of materials and labor and upon approval of the governor and council.

STATEMENT OF FACTS

Recognizing the need for expansion of the facilities of the Bangor state hospital, the 92nd legislature appropriated \$685,000 for new construction at this institution. Due to increased building costs, an augmenting appropriation is necessary in order to carry out the construction as authorized by the legislature.
