Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1895, c. 56, § 7, amended. Section 7 of chapter 56 of the private and special laws of 1895, as amended, is hereby repealed and the following enacted in place thereof:

Sec. 7. Board of water commissioners; duties; compensation; town manager, powers and duties. Said commissioners are authorized to fix the water rates and determine the conditions and the manner of the water supply, and shall have the general control and management of the water system owned by the town. They shall receive such compensation for their services as may be fixed by the town. Whenever said town shall vote to employ a town manager, but not in union with one or more other towns, said town manager shall be the administrative head of the water system and responsible to the water commissioners.
