STATE OF MAINE
HOUSE OF REPRESENTATIVES
94th LEGISLATURE

COMMITTEE AMENDMENT "A" to H. P. 707, L. D. 253, Bill, "An Act Relating to Unfired Pressure Vessels."

Amend said Bill by striking out all after the word "or", in the 3rd line from the end of section 7 of said Bill, and inserting in place thereof the following: 'by an inspector ~~who held~~ holding a certificate ~~of inspection issued by~~ from the national board of boiler and pressure vessel inspectors, or a certificate of competency as an inspector of boilers for a state that has a standard of examination substantially equal to that of this state.'

Further amend said Bill, in section 10 thereof, by striking out all of that part designated "Sec. 64" and inserting in place thereof the following:

" 'Sec. 64. Exemptions. The provisions of sections 51 to 65 66, inclusive, shall not apply to boilers or vessels which are under federal control; or those under the control of either the public utilities commission or the insurance department; or to boilers used solely for propelling motor road vehicles; or to boilers of steam fire engines brought into the state for temporary use in times of emergency to check conflagrations; or to boilers or vessels used for agricultural purposes only; or to boilers or vessels used in any private dwelling; or to steam heating boilers which carry pressures not exceeding 15 pounds per square inch, constructed and installed in accordance with the rules adopted by the board of boiler rules; or to miniature boilers exempt by the provisions of section 62; or to receptacles temporarily holding oil and air and used solely for the purpose of lifting automobiles or aerial ladders, if said receptacle is of a type which conforms to recognized standards of engineering practice as such standards apply to receptacles designed for such purposes.' "

Further amend said Bill by drawing a line through the fraction "3/8" in the 12th line from the end of section 11 and inserting immediately after said stricken out fraction the underlined fraction '5/16'

Further amend said Bill by drawing a line through the fraction "3/8" in the 6th line from the end of section 13 and inserting immediately after said stricken out fraction the underlined fraction '5/16'

Reported by the Committee on Labor.

Reproduced and distributed under the direction of the Clerk of the House.
