STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
FORTY-NINE

AN ACT to Create the Town of Cumberland, Chebeague Island School District.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Incorporation; name; purposes. Subject to the provisions of this act, the inhabitants of and the territory within the town of Cumberland are hereby created a body politic and corporate under the name of "Town of Cumberland, Chebeague Island School District" for the purpose of acquiring land within the said town and on Chebeague Island for school and related athletic and recreational purposes, including playgrounds, with the authority to exercise the right of eminent domain if necessary to secure such land; for the purpose of erecting, equipping and maintaining on said land a school building or buildings and related athletic and recreational facilities; for the purpose of leasing or letting any property of said district to said town; for the purpose of receiving, accepting and holding gifts, grants or devises of property, real, personal or mixed, to be used for school and related athletic and recreational purposes; all for the benefit of the inhabitants of said district.

Sec. 2. Trustees, powers and duties; limitations. All the affairs of said district (except election of teachers who shall serve in the said schools and the fixing of their salaries, the course of study, the terms of school

and all other matters pertaining to the education of pupils, which matters shall be controlled by the school board of the town of Cumberland) shall be managed by a board of 5 trustees who shall be chosen as is hereinafter provided and shall hold office for a term of 5 years, except as hereinafter provided. The board of trustees, acting for said district, shall have and exercise all the powers and authority necessary to carry out the purposes of this act and the powers and authority granted herein.

Sec. 3. Trustees; how elected, tenure; organization of board; officers; vacancies; compensation; reports. Five trustees shall be elected at a special town meeting in the same manner as the municipal officers of the town of Cumberland are chosen (i.e., by nomination papers signed by 25 legal voters of the town, and election by secret ballot), this special town meeting to be held as soon as may be after the acceptance of this act as hereinafter provided. Removal from the town of Cumberland by any trustee shall ipso facto vacate his office. Vacancies upon the board of trustees occurring because of removal from town, resignation, death or any cause, except expiration of the official term of office, shall be filled by the municipal officers of the town of Cumberland until the next regular town meeting, at which time a trustee shall be elected by the voters in the usual manner, to serve for the remainder of each unexpired term. Vacancies occurring due to expiration of a term of office shall be filled at the annual town meeting in the same manner as the original board was elected.

The members of the board, as soon as convenient after they have been elected as above provided, shall meet upon call of 1 of their number after such reasonable notice as he shall deem proper. At the 1st meeting, the trustees so elected shall determine by lot the term of office of each trustee, so that 1 trustee shall retire each year and the term of office of the 1st trustee to expire shall end at the close of the municipal year of the town of Cumberland following the acceptance of this act; and thereafter, the term of office of 1 trustee shall expire at the close of each municipal year of said town and his successor shall be elected for a term of 5 years by the legal voters of the town of Cumberland at the annual town meeting. They shall then elect from their membership a president, clerk and treasurer, adopt a corporate seal and do all other acts, matters and things necessary to perfect their organization. Thus organized, the trustees shall have the right and authority to employ such officers and agents as they may deem necessary for the proper conduct and management of the affairs of the district and shall at once proceed to carry out the duties of their office.

The trustees, before acquiring sites or erecting school buildings, shall submit to the voters of the town of Cumberland at a special town meeting

called for the purpose, for their approval, the number of schools to be built, and their approximate location, the voters to indicate by secret ballot the words "yes" or "no", their opinion of each of these two proposals. If either or both proposals of the trustees fail of acceptance by the majority of the voters present and voting, the trustees shall submit other recommendations in place of those rejected until such time as their proposals are approved by the voters.

The trustees shall serve without compensation, except that the treasurer may receive for his services an amount to be fixed by the board of trustees not to exceed \$100 per year. The treasurer shall give a bond to the district in such sum and with such sureties as the trustees may determine, which bond shall be deposited with the president. The treasurer's salary, bond premium and all expenses of the district shall be paid from the funds of the district. At the close of the fiscal year the trustees shall make a detailed report of their doings, of the financial condition of said district, and the physical condition of said school building or buildings, and also such other matters and things pertaining to said district as shall show the inhabitants thereof how said trustees are fulfilling the duties and obligations of their trust, said reports to be made, attested to and filed with the municipal officers of said town.

Sec. 4. How financed. To procure funds for the purpose of this act, and for such other expenses as may be necessary to carry out said purposes, the said trustees are hereby authorized from time to time to borrow money and to issue bonds and notes of the district therefor, but shall not incur a total indebtedness exceeding the sum of \$80,000. Each bond and note shall have inscribed upon its face the words "Town of Cumberland, Chebeague Island School District," shall bear interest at such rates as the trustees shall determine, payable semiannually, and shall be subject to such other provisions as the trustees shall determine. Said bonds and notes may be issued to mature serially or made to run for such periods as said trustees may determine, but none of which shall run for a longer period than 25 years from the date of the original issue thereof. All bonds or notes may be made callable at the discretion of the trustees of the district. All bonds and notes issued by said district shall be signed by the treasurer and countersigned by the president of said district, and if coupon bonds be issued, each coupon shall be attested by the facsimile signatures of the president and treasurer printed thereon. Said bonds and notes shall be legal obligations of said district, which is hereby declared to be a quasi-municipal corporation within the meaning of section 132 of chapter 49 of the revised statutes, and all the provisions of said section shall be appli-

cable thereto. The said bonds and notes shall be legal investments for savings banks. The said trustees are hereby authorized and empowered to enter into such an agreement with the federal or state government, or any agency thereof, or any corporation or board authorized by the federal or state government to loan money or otherwise assist in the financing of such projects as this school district is authorized to carry out, as may be necessary or desirable to accomplish the purposes of this act.

Sec. 5. Sinking fund; refunding bonds provided for. In case any bonds or notes at any time issued are made to run for a period of years, as distinguished from serial maturity, the trustees shall establish a sinking fund for such bonds or notes for the purpose of redeeming the same when they become due. The amount to be paid annually into such sinking fund shall not be less than 4% of the total principal amount of such bonds or notes originally issued. In addition to such annual sinking fund payment, the trustees shall have authority from time to time to add to any such sinking fund any funds of said district not required for other purposes. Funds in any sinking fund may be deposited in any national bank, savings bank or trust company within the state or may be invested in whole or in part in any bonds of the United States, of the state of Maine, or of any political subdivision thereof, as the trustees may determine. Interest received on any funds so invested shall be added to the sinking fund. When and if the amount accumulated in any sinking fund, together with interest received or to be received thereon, shall be sufficient to pay at maturity or, at the option of the trustees, to redeem the bonds or notes for the benefit of which such sinking fund was established, all further payments to such sinking fund shall cease.

Whenever any bonds or notes issued by said district may become due or can be purchased or called for redemption by said district on favorable terms, said trustees, if sufficient funds have accumulated in the sinking fund provided therefor, shall pay, purchase or redeem said bonds or notes and cancel them. In no case shall bonds or notes so paid, purchased or redeemed, and cancelled, be reissued.

In case the amount in any sinking fund shall not be sufficient to pay the total amount when due of the bonds and notes for which such sinking fund was provided, or in case it shall become desirable in the opinion of the trustees to call for redemption any outstanding bonds or notes and to issue new bonds or notes in their stead, authority is hereby granted to redeem so many of said original bonds or notes as cannot be paid or redeemed from the sinking fund provided therefor, if any, but in no case

shall such new bonds or notes mature more than 25 years from the original date of issue of the original bonds or notes so refunded.

Sec. 6. Assessment of taxes authorized to meet indebtedness; how collected; procedure. The trustees of the "Town of Cumberland, Chebeague Island School District" shall determine what sum is required each year for sinking fund payments; or if the bonds or notes authorized by this act shall be issued to mature serially, what sum is required each year to meet the bonds and notes falling due, what sum is required each year to meet the interest on said bonds and other obligations, and what sum is required each year to meet other necessary expenses in the district, and shall each year, before the 1st day of April, issue their warrant in the same form as the warrant of the treasurer of state for taxes, with proper changes, to the assessors of the town of Cumberland, requiring that they assess the total sum so determined upon the taxable polls and estates within said district and to commit their assessments to the constable or collector of said town of Cumberland, who shall have all authority and powers to collect said taxes as is vested by law to collect state, county and municipal taxes. On or before the 31st day of December of the year in which said tax is so levied, the treasurer of said town shall pay the amount of the tax so assessed against said district to the treasurer of said district. In case of a failure on the part of the treasurer of the town to pay said sum, or in case of his failure to pay any part thereof on or before said 31st day of December of the year in which said tax is levied, the treasurer of said district may issue his warrant for the amount of said tax or so much thereof as shall then remain unpaid to the sheriff of Cumberland county, requiring him to levy by distress and sale on real and personal property of any of the inhabitants of said district, and the sheriff or either or any of his deputies shall execute said warrant except as is otherwise provided herein. The same authority as is vested in county officials for the collection of county taxes, under the provisions of the revised statutes, is hereby vested in the trustees of said district in relation to the collection of taxes within said district.

Sec. 7. Provisions for termination of the board of trustees. At such time as the school building or buildings and related athletic and recreational facilities shall have been completed, equipped and occupied by pupils of said district, and the board of trustees of the district shall have discharged all of its principal obligations, and the property of said district shall be free and clear of all indebtedness, the board of trustees shall automatically cease to function and all of the duties, management, care and maintenance of the property of said district shall revert to the school board of the town

of Cumberland or such other board as may at that time have jurisdiction over similar school property, and the then president and treasurer of said district shall cause to be executed, signed and delivered, a good and sufficient deed of all the property of said district to the town of Cumberland. All money, if any, remaining in the treasury of said district at the time said trustees cease to function, shall be given to the town treasurer of the town of Cumberland. This money shall be used only for school purposes and shall be kept separate from all other money until authorized by the selectmen of the town of Cumberland to be expended for one or more of the purposes stated in this act.

Sec. 8. Authority to receive property from the town of Cumberland. The "Town of Cumberland, Chebeague Island School District" is hereby authorized to receive from the town of Cumberland, and said town of Cumberland is hereby authorized to transfer and convey to said district, any property, real, personal or mixed, now or hereafter owned or held by the town of Cumberland for school purposes, and any sums of money or other assets which the said town of Cumberland has raised or may raise, either by taxation, borrowing or otherwise, for school purposes. Before transferring and conveying any of said property or turning over any of said funds or assets, the municipal officers of the town of Cumberland shall be duly authorized to do so by a majority vote of the legal voters present at any annual or special town meeting, the call for which shall have given notice of the proposed action.

Sec. 9. Referendum; effective date. This act shall take effect 90 days after the adjournment of this legislature, only for the purpose of permitting its submission to the legal voters of the town of Cumberland at any regular or special meeting called and held for that purpose, or at any election called for the purpose of voting upon any state referendum. Such meeting shall be held not later than January 1, 1951 and shall be called, advertised and conducted according to the law relating to municipal elections; provided, however, that the board of registration in said town of Cumberland shall not be required to prepare for posting or the town clerk to post a new list of voters, and for the purpose of registration of voters, said board shall be in session 1 hour preceding such special meeting. The town clerk shall prepare the required ballots on which he shall reduce the subject matter of this act to the following question: "Shall the act to Create the Town of Cumberland, Chebeague Island School District be accepted?" and the voters shall indicate by a cross or check mark placed over the words "Yes" or "No" their opinion of the same. The result in said district shall be declared

by the municipal officers of the town of Cumberland and due certificate thereof filed by the town clerk with the secretary of state. This act shall take effect for all the purposes thereof immediately upon its acceptance by a majority of the legal voters voting at said meeting.
