'Provided further, that on presentation of a written plan of organization which has been approved by the superintending school committees of the towns involved, the commissioner and the committee are authorized to combine 2 or more school unions, or parts thereof, into a large supervisory unit administered by a superintendent of schools and staff assistants, who may be employed by the joint committee as provided in section 70, and the commissioner shall have authority to adjust disbursements for supervision so that there will be no loss in state support because of the reorganization.'
