STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED FIFTY-ONE

AN ACT to Amend the Charter of the York Harbor Village Corporation.

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1901, c. 481, § 4, repealed and replaced. Section 4 of chapter 481 of the private and special laws of 1901, as amended, is hereby repealed and the following enacted in place thereof:

'Sec. 4. Town of York to pay to York Harbor Village Corporation a certain part of tax money; how to be expended; may borrow money. On or before the 1st day of July annually, the town of York shall appropriate and pay over to the York Harbor Village Corporation a sum of money computed as follows: From the annual tax levy raised by town taxation on the polls and estates within said corporation for the preceding year and from the total annual excise taxes collected from the owners of motor vehicles shall be deducted said corporation's proportional part of all town charges which are common to said corporation and town. Sixty-five per cent of the sum of money remaining after the aforesaid deduction shall be the sum of money to be paid over annually to said corporation as herein provided.

Said sum shall be expended by said corporation for its corporate purposes and duties, and payment thereof to the corporation shall relieve said town of all town charges within said corporation, except for those charges for which said corporation has contributed proportionately, which are common to both town and corporation, as aforesaid. All the authority and duties as road commissioners within said corporation shall be exercised by said assessors; or they may appoint an agent, approved by the selectmen of said town, to perform the duties of road commissioner. In addition to the power given by section 6 of its charter, the corporation may from time to time borrow money as a temporary loan in anticipation of the receipt of any annual town appropriation, or of its tax receipts; and may also fund or refund, by issuance of its bonds or notes, any obligations incurred for the purposes set forth in said section 6.'
