**RESOLVE, Proposing an Amendment to the Constitution Prohibiting
Lotteries and Gambling.**

Constitutional amendment. Resolved: Two-thirds of each branch of the legislature concurring, that the following amendment to the constitution of this state be proposed:

Constitution, Article additional. The constitution is hereby amended by adding thereto a new article, to read as follows:

‘Lotteries and Gambling Prohibited.

No lottery shall be authorized by the legislature or otherwise in the state; and no ticket in any lottery shall be bought or sold within this state, nor shall pool-selling, bookmaking or gambling of any kind be authorized within this state, nor shall any gambling device, practice or game of chance now prohibited by law be legalized, or the remedy, penalty or punishment now provided therefor be in any way diminished; and all acts, or parts of acts heretofore passed by the legislature of this state authorizing any of the foregoing, and all acts amendatory thereof, or supplemental thereto are hereby avoided; and the legislature shall pass appropriate laws to prevent offenses against this section.’

Form of question and date when amendment shall be voted upon. Resolved: That the aldermen of cities, the selectmen of towns and the assessors of the several plantations of this state are hereby empowered and directed to notify the inhabitants of their respective cities, towns and plantations to meet in the manner prescribed by law for calling and holding biennial meetings of said inhabitants for the election of senators and representatives at the next general or special state-wide election, to give in their votes upon the amendment proposed in the forgoing resolution, and the question shall be:

“Shall the constitution be amended as proposed by a resolution of the legislature prohibiting lotteries and gambling?”

And the inhabitants of said cities, towns and plantations shall vote by ballot on said question, those in favor of the amendment voting “Yes” upon their ballots and those opposed to the amendment voting “No” upon their ballots, and the ballots shall be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the office of the secretary of state in the same manner as votes for governor and members of the legislature, and the governor and council shall count the same, and if it shall appear that a majority of the inhabitants voting on the **question are in favor of the amendment**, the governor shall forthwith make known the fact by his proclamation, and the amendment shall thereupon, as of the date of said proclamation, become a part of the constitution.

Secretary of state shall prepare ballots. Resolved: That the secretary of state shall prepare and furnish to the several cities, towns and plantations ballots and blank returns in conformity with the foregoing resolve, accompanied by a copy thereof.
