Resolved: That there be, and hereby is, appropriated from the general fund the sum of \$2,000 to restore the original principal of the trust fund known as the Frederick Robie Library Fund of the Bangor State Hospital.

STATEMENT OF FACTS

Ex-Governor Frederick Robie left a fund of \$2,000 to the Augusta State Hospital and \$2,000 to the Bangor State Hospital. These funds were left in bank stock of the First National Bank of Portland which is now defunct.

In 1933 the Legislature increased the inheritance tax to take care of dissipated state trust funds. All the trust funds were restored with the exception of these two and it would seem to be to the best interest of the state to restore these two funds.
