**RESOLVE, in Favor of Presque Isle Armory Project.**

---

**Presque Isle armory project; appropriation for. Resolved:** That the sum of \$35,000 be, and hereby is, appropriated from the unappropriated surplus of the general fund for support of the construction of an armory in the city of Presque Isle, provided that a like sum be made available for such construction by the municipal officers of the city of Presque Isle.

Such sum shall be turned over to the State Military Defense Commission for the support of the Presque Isle armory project and that the fund be used along with federal funds allocated to the state per provisions of the Facilities and Construction Act, P. L. 783, 81st Congress, to accomplish the construction of at least the minimum requirements for a one unit armory.

The moneys appropriated by this resolve shall not lapse but shall remain a continuing carrying account until the purposes of this resolve have been accomplished.

**STATEMENT OF FACTS**

An armory has been needed at this location for many years. The State Military Defense Commission has placed Presque Isle in No. 1 priority when additional federal funds are available for construction of armories.
