**RESOLVE, Providing Funds for Nursing Attendant Education.**

---

**Nursing attendant education; appropriation for. Resolved:** That there be, and hereby is, appropriated in favor of the department of education the sum of \$45,500 for the fiscal year ending June 30, 1954, and the sum of \$39,500 for the fiscal year ending June 30, 1955, for the purpose of providing nursing attendant education; said sum to be taken from the general fund of the state.

STATEMENT OF FACTS

The expansion of hospital facilities and the increase in hospitalization demand training programs for nurse attendants to provide necessary bedside nursing care. The services of the professional nurse could thereby be made available for the critically ill, the operating room and supervisory positions.
