	<hr/>
Total	\$2,034.00

These funds to be expended on authorization of the department of Health and Welfare.

STATEMENT OF FACTS

The church and teachers' house (convent) at Peter Dana Point have had no major repairs done on them for a good many years.

The old schoolhouse at Princeton now being used for religious purposes was declared unfit for use during the past year. Temporary crib-work was installed in order to prevent the building from falling from its foundation. The temporary crib-work was put in until a permanent foundation could be built.
