AN ACT to Authorize Construction of a Bridge Across the Passagassawaukeag River.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Bridge constructed. The State Highway Commission is hereby authorized and directed to use such federal funds and such general highway funds as are necessary, and which are available and not otherwise allocated, to construct bridge across the Passagassawaukeag river at Belfast, on Route #1 between Belfast and East Belfast, the exact location of which to be determined by the Commission.
