STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
97th LEGISLATURE

HOUSE AMENDMENT "A" to S.P. 525, L.D. 1429, Bill, "An Act Providing for Group Life Insurance for State Employees and Teachers."

Amend said Bill in that part designated "Sec. 24" by striking out the 1st paragraph of subsection II and inserting in place thereof the following underlined paragraph:

'II. Each eligible state employee or teacher to whom this section applies shall be eligible to be insured for an amount of group life insurance approximating his annual compensation and an equal amount of group accidental death and dismemberment insurance in accordance with the following schedule. The Board of Trustees may, upon recommendation of the Advisory Council, permit certain classifications to purchase up to double the amounts shown in Table A; provided, however, that the total number permitted such additional coverage shall be limited to not more than 3% of all persons covered by this group insurance policy.'

Further amend said Bill in that part designated "Sec. 24" by **striking** out all of subsections IV and V and inserting in place thereof the following underlined subsections:

'IV. All employees eligible under the terms of this section will be automatically insured for the maximum amounts applicable thereunder, commencing on the date they first become so eligible; provided that any employee desiring not to be insured shall, on appropriate form, give written notice to his employing officer that he desires not to be insured. If such notice is received before the employee shall have become insured under such policy, he shall not be so insured; if it is received after he shall have become insured, his insurance under the policy will cease, effective with the end of the pay period during which the notice is received by the employing office. Any person who desires not to be insured may subsequently apply for insurance, but may be required to produce evidence of insurability at his own expense and in accordance with the requirements of the Board of Trustees.'

V. An employee insured under this policy shall be automatically covered for any change in such maximum due to a change in annual compensation. Such change in coverage shall coincide with the effective date of the change in annual compensation rate.'
