HARVEY R. PEASE, Clerk

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED FIFTY-FIVE

AN ACT to Supplement Loans by Maine School Building Authority.

Be it enacted by the People of the State of Maine, as follows:

- Sec. 1. R. S., c. 41, § 248, sub-§ XIII-A, additional. Section 248 of chapter 41 of the revised statutes is hereby amended by adding thereto a new subsection to be numbered XIII-A, to read as follows:
 - 'XIII-A. As funds may be made available for the purpose, to supplement, on a grant basis, lease agreements with those towns where the maximum loan agreement that the Authority will approve is not sufficient to finance the minimum classroom facilities needed. Determination as to eligibility shall be under such rules and regulations as the Authority shall make and its determination shall be final upon approval of the Governor and Council. It is the intent of the Legislature that grants of funds to towns under this subsection shall be made only as supplementary financial aid to those towns which cannot finance minimum needed classroom facilities within the maximum loan limit policy of the Authority. Aid granted hereunder is not to be considered as establishing a precedent for granting general capital outlay funds for school construction.'
- Sec. 2. Appropriation. There is hereby appropriated from the unappropriated surplus of the general fund of the State the sum of \$100,000 for the fiscal year ending June 30, 1956 for carrying out the purposes of this act. This appropriation shall be a continuing account and any balances remaining at the end of a fiscal year shall be carried forward to the next fiscal year.
