Gorham State Teachers College is extremely overcrowded, and the completion of the Library, Science and Classroom building will provide for present enrollment and future expansion, directly resulting in the provision of more teachers for the State of Maine. The 97th Legislature appropriated \$434,000 to initiate this building. It is planned to complete this unit by providing classroom area in addition to the Science wing totaling 34,383 square feet with a library area totaling 23,395 square feet to house 91,000 volumes.
