**AN ACT Creating a School District for Kingman Township, the Towns of
Prentiss, Webster and Others.**

Be it enacted by the People of the State of Maine, as follows :

A community school district for Kingman Township (deorganized town), Prentiss, Webster and others. The township of Kingman and the inhabitants and territory within the several towns of Prentiss, Webster and any other town or towns that may join may form a community school district which shall be a body politic and corporate by proceeding in a manner set forth in sections 112 to 121, inclusive, of chapter 41 of the Revised Statutes. All the provisions of the said sections shall apply to the formation of such school district and the aforementioned towns and township, excepting such part or parts thereof as may be inconsistent with this act.

The action required by a town in section 112 shall be taken by the State Board of Education for Kingman Township. The trustees and the community school committee members for Kingman Township shall be appointed by the Commissioner of Education.

The cost of acquiring land, constructing and equipping a community school building or buildings and related recreational and athletic facilities and for other purposes of the district shall be apportioned among the several towns and the township of Kingman by the board of trustees in approximately the same ratio as the town's enrollment or the township's enrollment is to the total enrollment of the school.

The operating costs of the school shall be apportioned among the several towns and the township by the board of trustees and shall be in approximately the same ratio as the town's enrollment or the township's enrollment is to the total enrollment of the school. The ratio shall be adjusted whenever the enrollment from the individual towns or the township make the existing apportionment of costs in conflict with the requirements of this act.

SECTION 10. The board of trustees shall have the right to borrow money on the credit of the school district for the purpose of purchasing real estate, and to sell real estate owned by the school district, and to execute any instrument necessary to carry out the purposes of this act.
