Resolved: That there be, and hereby is, appropriated for this purpose the sum of \$225 from the general fund of the State.

STATEMENT OF FACTS

As there is never a large popular sale for works of history, the undertaking can never be a financial success. It has been the practice of the Legislature to encourage such literary work which help to preserve the history of our State and which enlightens the people as to the importance of our history, by purchasing enough copies for the State Library to distribute throughout the State and in other states and countries.
