AN ACT Creating a School District for Kingman Township, the Plantations of Prentiss, Webster and Others.

Be it enacted by the People of the State of Maine, as follows:

A community school district for Kingman Township (deorganized town), Prentiss, Webster and others. The township of Kingman and the inhabitants and territory within the several plantations of Prentiss and Webster, or either, and any other town or towns that may join may form a community school district, which shall be a body politic and corporate by proceeding in a manner set forth in sections 112 to 121, inclusive, of chapter 41 of the Revised Statutes of 1954. All the provisions of the said sections shall apply to the formation of such school district and the aforementioned towns, plantations and township, excepting such part or parts thereof as may be inconsistent with this act.

The action required by a town in section 112 of chapter 41 of the Revised Statutes shall be taken by the State Board of Education for Kingman Township. The trustees and the community school committee members for Kingman Township shall be appointed by the Commissioner of Education.

The cost of acquiring land, constructing and equipping a community school building or buildings and related recreational and athletic facilities and for other purposes of the district shall be apportioned among the several towns, plantations and the township of Kingman by the board of trustees in approximately the same ratio as the town's, plantation's or the township's enrollment is to the total enrollment of the school.

The operating costs of the school shall be apportioned among the several towns, plantations and the township of Kingman by the board of trustees and

shall be in approximately the same ratio as the town's, plantation's or the township's enrollment is to the total enrollment of the school. The ratio shall be adjusted whenever the enrollment from the individual towns, plantations or the township make the existing apportionment of costs in conflict with the requirements of this act.
