CHESTER T. WINSLOW, Secretary

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
FIFTY-SEVEN

RESOLVE, in Favor of Irving W. Small of Milbridge.

Irving W. Small; retirement benefit increased. Resolved: That the retirement benefit now being paid to Irving W. Small of Milbridge under the provisions of chapter 63-A of the Revised Statutes be increased by the amount of \$50 monthly.

STATEMENT OF FACTS

The purpose of this resolve is to correct, to some extent at least, an inequity which obviously exists. Mr. Small was retired on the basis of his average salary for his last 5 years of service rather than on the average of the best 5 years of service salary wise. Had it been possible to secure a benefit at the time he retired on the best 5 years rather than the last 5, he would have been receiving all these years practically double the amount of benefit which he has been getting, and the amount provided in this resolve is a compromise in effect to make some adjustment at least in this case. The total cost to the Retirement System, should Mr. Small live out his life expectancy, would amount to approximately \$3,400. Mr. Small is 78 years of age.
