AN ACT Relating to Amounts for State Scholarships for Normal Schools and Teachers' Colleges.

Be it enacted by the People of the State of Maine, as follows:

R. S., c. 41, § 230, amended. Section 230 of chapter 41 of the Revised Statutes is amended to read as follows:

'Sec. 230. State scholarships for normal school and teachers' college students. The state board of education shall develop and administer a plan for awarding scholarships to selected students enrolled in the normal schools and teachers' colleges of the State who have evidenced qualifications of general worth and professional promise as potential teachers, and who have demonstrated ability and willingness to support their educational expenses, but who may be in need of partial financial assistance with respect to their education costs. Each scholarship shall not exceed ~~\$200~~ \$300 in any one year. The board may, at its discretion, reduce the amount of any particular award, when such a reduction would better serve the need of any otherwise eligible recipient. Amounts available for such scholarships shall be distributed annually by the board to the 5 normal schools and teachers' colleges in the following manner:

I. ~~\$1,000~~ \$1,500, or the equivalent of 5 full scholarships, to each college or normal school;

II. Allocation of the balance of the scholarship fund to the 5 normal schools and teachers' colleges in the same proportions as the proportion of each institution's enrollment bears to the total student enrollment of the 5 institutions for the fall semester of the current year.'
