STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
FIFTY-NINE

AN ACT Providing for the Construction of an Addition to Connor Elementary School in the Unorganized Territory.

Emergency preamble. Whereas, the enrollment in the Connor elementary school has increased from 110 in 1956 to 165 in 1958; and

Whereas, it is expected to increase to 170 in 1959; and

Whereas, the present building contains 4 classrooms designed for 120 students; and

Whereas, the principal's office is now being used for a classroom; and

Whereas, this is an area essential to the defense of our nation, serving children of military personnel; and

Whereas, it is hoped to alleviate this crowded condition in September, 1959; and

Whereas, construction must be started by May 1, 1959 to insure completion; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Appropriation for construction of addition to Connor elementary school. There is appropriated the sum of \$47,200 from the Unappropriated Surplus of the General Fund to be added to the Unorganized Territory Capital Working Fund as described in the Revised Statutes of 1954, chapter 41, sections 167 to 169; thus providing necessary funds for added classrooms at the Connor elementary school.

Emergency clause. In view of the emergency cited in the preamble, this act shall take effect when approved.
