AN ACT Relating to Protection from Nuclear Loss in Standard Fire Insurance Policy.

Be it enacted by the People of the State of Maine, as follows:

R. S., c. 60, § 105-A, additional. Chapter 60 of the Revised Statutes is amended by adding a new section to be numbered 105-A, to read as follows:

‘Sec. 105-A. Protection from nuclear loss allowed in standard fire insurance policy. The standard policy as set forth in section 105 is not intended to cover loss or damage caused by nuclear reaction or nuclear radiation or radioactive contamination, all whether or not directly or indirectly resulting from an insured peril under said policy.

Insurers issuing the standard policy pursuant to section 105 are authorized to affix thereto or include therein a written statement that the policy does not cover loss or damage caused by nuclear reaction or nuclear radiation or radioactive contamination, all whether or not directly or indirectly resulting from an insured peril under said policy.
