Presented by Mr. Dunn of Poland.

STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
FIFTY-NINE

**AN ACT Providing Moneys for Construction of Patient Building at
Western Maine Sanatorium.**

Be it enacted by the People of the State of Maine, as follows:

Patient building at Western Maine Sanatorium; appropriation for. There is appropriated to the Department of Health and Welfare from the Unappropriated Surplus of the General Fund the sum of \$1,200,000 for construction of a patient building at Western Maine Sanatorium, in Hebron, to replace present buildings.

This appropriation shall not lapse, but shall remain a continuing carrying account until the purposes of this act have been accomplished.

STATEMENT OF FACTS

The present buildings which house patients at Western Maine Sanatorium are old, out of repair, inconvenient and uneconomical to operate. With all patients in one building, much more efficient treatment and administration would be possible.
