### **AN ACT Relating to Heating, Lighting, Ventilation and Sanitation of School Buildings.**

---

Be it enacted by the People of the State of Maine, as follows:

**R. S., c. 41, § 26, amended.** The first sentence of section 26 of chapter 41 of the Revised Statutes, as amended by chapter 49 of the public laws of 1955 and by section 10 of chapter 364 of the public laws of 1957, is further amended to read as follows:

'Where the plans and specifications prepared by the commissioner are not used, all superintending school committees, school building committees, school directors or school district trustees where new schoolhouses are to be erected shall make suitable provision for the heating, lighting, ventilating and hygienic conditions of such buildings, and all plans and specifications for any such proposed school building and plans for the reconstruction or remodeling of any school building, the expense for which shall exceed \$500 shall be submitted to and approved by the commissioner and the Bureau of Health before the same shall be accepted by the superintending school committee, school building committee, school directors or school district trustees of the administrative unit in which it is proposed to erect, reconstruct or remodel such building.'
