Be it enacted by the People of the State of Maine, as follows:

**R. S., c. 22, § 88, amended.** The 2nd paragraph of section 88 of chapter 22 of the Revised Statutes is amended to read as follows:

'The State Highway Commission and municipal officers, in their respective jurisdictions, may erect standard signs requiring vehicles, or drivers of vehicles, to "yield" the right of way at certain intersections, including approaches to through ways or previously designated "Stop" intersections where it is expedient to allow traffic to move through or into the intersection at a reasonable speed for existing conditions of traffic and visibility, ~~in no case greater than 15 miles per hour~~, yielding the right of way to all vehicles or pedestrians approaching from either direction on the intersecting street which are so close as to constitute an immediate hazard.'
