CHAPTER B

Sec. 1. Appropriations for necessary expenditures of State Government. In order to provide for the necessary expenditures of State Government for the next two fiscal years—from July 1, 1959 to June 30, 1960, and from July 1, 1960 to June 30, 1961—the following sums or as much thereof as shall be found necessary, as designated in the following tabulations, are hereby appropriated for construction, repairs, equipment, supplies and furnishings out of any moneys in the General Fund Unappropriated Surplus not otherwise appropriated. It is the intent of the Legislature that the items listed below shall be reconsidered by the Governor and Council on recommendation of the various department heads and that the appropriation to each department or institution shall be used to meet the most urgent needs at that time. Upon receipt of allotments duly approved by the Governor and Council based upon work programs submitted to the Commissioner of Finance and Administration, the State Controller shall authorize expenditures of these appropriations and revenues accruing thereto, on the basis of such allotments and not otherwise.

Any balances at June 30, 1960 shall not lapse but shall be carried forward into the following year to be expended for the same purposes. Any unencumbered balances at June 30, 1961 shall lapse unless sufficient evidence in the form of encumbrances is filed with the State Controller prior to June 30, 1961, showing that the project is in process, in which case all moneys appropriated to the project shall be carried to the following years to be expended for the same purpose until such project is completed, unless otherwise directed by the Legislature.
