MESSAGE OF THE GOVERNOR.

To the Senate and House of Representatives:—

By a law of this State, passed February 5, 1821, it is made the duty of the Treasurer of the State, at the expense thereof, to cause to be had and preserved, as public standards; and which shall be used only as such, certain beams, weights and measures, particularly described in said law.

The Treasurer having submitted to me a detailed statement of his proceedings, I have directed the same to be laid before the Legislature for their information.

From an examination of the papers herewith communicated, the Treasurer appears to have used great diligence in acquiring such information as would be most likely to en-
