DAY & FRASER.....PRINTERS TO THE STATE.

sum not exceeding two dollars and twenty-five cents per volume. And the sum of seven hundred and eighty-seven dollars and fifty cents, is hereby appropriated for that purpose, for which sum the Governor is hereby authorized, with advice of Council, to draw his warrant on the Treasury, when the said volumes shall have been deposited in the Secretary's Office, for the use of the State.

MESSAGE OF THE GOVERNOR.

To the Senate and House of Representatives :

I transmit a copy of a communication received from the Inspector General of Hops. His statement is corroborated by the official returns. On the renewal of the commission in June last, the appointment was declined by the present Inspector on account of the amount of duties required by law to be paid on the commission. He was informed that the payment of the duty was indispensable during the existence of the law ; but that as the propriety of requiring a duty on an office of so little emolument was questionable, the subject would be submitted to the consideration of the Legislature. Under this assurance the appointment was accepted.
