Approved February 21, 1867.

Chapter 120.

Resolve in aid of the road leading from Brighton to Greenville.

\$4,000 appro-
priated for

Resolved, That a sum not exceeding four thousand dollars be and the same is hereby appropriated, to be expended under the direc-

tion of the land agent in making and repairing the state road leading from Brighton to Greenville, upon that part between Kingsbury Mills and Blanchard Mills as located by county commissioners of Piscataquis county, and being the road located east of Russell Mountain and crossing the Piscataquis river at the head of Barrows Falls, said new location being established and recognized as the state road.

CHAP. 121.

repairing road from Brighton to Kingsbury.

Approved February 21, 1867.

Chapter 121.

Resolve in favor of Mandeville T. Ludden.

Resolved, That the claim of Mandeville T. Ludden for an allowance for extra services as county attorney of Androscoggin county, be referred to the governor and council, who are hereby authorized to examine the same, and determine the amount which he may be justly entitled to receive; and the governor may draw his warrant for such amount, payable out of any money in the state treasury not otherwise appropriated.

Mandeville T. Ludden, in favor of.

Approved February 21, 1867.

Chapter 122.

Resolve in aid of building mills at the mouth of the Madawaska river.

Resolved, That the land agent be and he is hereby authorized to convey to Jesse Drew, eight lots of land in township I, range two, west from the east line of the state; to be located in one contiguous body in the easterly half of said township, from any lands not suitable for settlement, when said Drew or assigns shall have completed a permanent dam, a single saw mill, clapboard machine and shingle machine, within three years, to the acceptance of the land agent; and said Drew may have the right also to enter upon and cut from either two of such lots, any and all kinds of lumber to be used in the construction of his dam and mills.

Jesse Drew, eight lots of land to be conveyed in consideration of constructing a dam and saw mill.

Approved February 21, 1867.
