Chapter 94.

Resolve authorizing the Land Agent to deed certain lands to the United States of America.

Land Agent
authorized to
convey certain
lands to the
United States.

Resolved, That the land agent is hereby authorized, in the name and on behalf of the state to execute and deliver to the United States of America, good and sufficient deeds of the two parcels of land hereinafter described, so that all the title of the state in and to the same may thereby vest in the United States, namely: First, beginning at the Western Bar Beacon, as located on the United States Coast Survey Chart number three, scale one eighty thousandth, edition of eighteen hundred and eighty-three, and described on page twenty-four of the Atlantic Coast Pilot, second edition, eighteen hundred and seventy-nine, and running thence north nineteen degrees and nineteen minutes west fifteen hundred feet; thence south seventy degrees and forty-one minutes west two hundred and ninety feet; thence south nineteen degrees and nineteen minutes east fifteen hundred feet; thence north seventy degrees and forty-one minutes east two hundred and ninety feet to the point of beginning, and embracing nine acres and forty-two thousand nine hundred and sixty square feet; the said area being wholly submerged by the tides and all lying more than one hundred rods from the lowest high water line at Lubec Narrows in Quoddy Roads in the state of Maine. Second, the ledge of rock known and described on page one hundred and twenty-nine of the Atlantic Coast Pilot, second edition, eighteen hundred and seventy-nine, as Crabtree Point Ledge, and lying about six feet below the surface of extreme low water in Frenchman's Bay, about five hundred feet east from the shore of Crabtree's Neck in Hancock county, Maine, the area of the ledge being about one acre.

Approved March 15, 1887.
