An Act relating to drains and common sewers in the city of Rockland.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows :

Expense of
construction of
sewers in
Rockland, how
estimated and
assessed.

SECT. 1. It shall be the duty of the municipal officers of Rockland, when said city has constructed and completed any public drain or common sewer, to determine what lots or parcels of land are benefited by such drain or sewer, and to estimate and assess upon such lots and parcels of land, and against the owner thereof, or person in possession, or against whom the taxes thereon shall be assessed, whether said person to whom the assessment is so made shall be the owner, tenant, lessee or agent, and whether the same is occupied or not, such sum not exceeding such benefit as they may deem just and equitable towards defraying the expenses of constructing and completing such drain or sewer, the whole of such assessments not to exceed three-fourths of the cost of such drain or sewer, and such drain or sewer shall forever thereafter be maintained and kept in repair by said city. Such municipal officers shall file with the clerk of said city the location of such drain or sewer, with a profile description of the same, with the amount assessed upon each lot or parcel of land so assessed, and the name of the owner of such lots or parcels of land or person against whom said assessment shall be made,

—location of
sewers, and
assessments, to
be recorded.
