PRIVATE AND SPECIAL LAWS

OF THE

STATE OF MAINE.

1903.

Chapter 86.

An Act to authorize the Orono Pulp and Paper Company to generate, use and sell electricity.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

May make and generate electricity upon Stillwater branch of Penobscot river in Old Town.

—may conduct electricity into Old Town.

—shall not sell power outside of Old Town.

May build works, etc.

Shall be subject to general laws in erecting poles, etc.

Section 1. The Orono Pulp and Paper Company is hereby specially authorized and empowered to make and generate electricity upon its property situated upon the Stillwater branch of the Penobscot river in Old Town, in Penobscot county, and to transmit and conduct such electricity to and into the cities of Old Town, Bangor, Brewer, and the towns of Orono and Veazie, and to use the same in all ways for its own purposes, and to sell the same for power and manufacturing purposes in units of not less than twenty-five horse power, and also for heating purposes, but not for electric lighting or street railway purposes; provided, however, that prior to March one, nineteen hundred and five, said company shall not sell or otherwise dispose of power to any other person or corporation to be used outside of said Old Town.

Section 2. Said company is hereby authorized and empowered to build and operate manufactories and works for generating and making electricity upon its said property, and to erect, lay, construct, maintain and operate lines of wire or other material for the transmission of such electricity under and across any stream or river, and under, along, upon and over streets, ways and bridges in said cities and towns.

Section 3. In erecting poles and lines of wire along, upon and over streets, ways and bridges, and in constructing and laying lines of wire under any stream, river, street or highway, said corporation shall be subject to the general laws of the state applicable to corporations which are authorized to make, generate, sell, distribute and supply electricity for power and manufacturing purposes, and shall have all the rights and powers of such corporations in the erection and construction of poles and conduits, and the construction, laying and maintaining cables and lines of wire.

Section 4. This act shall take effect when approved.

Approved February 26, 1903.
