RESOLVES

OF THE

STATE OF MAINE.

1903.

CHAP. 111

Seventeenth. Amount expended by the town for the repair of iron bridges, nineteen hundred three.

Eighteenth. Amount expended by the town for the repair of iron bridges five years prior to March, nineteen hundred four.

Nineteenth. Amount expended by the town for the repair of wooden bridges five years prior to March, nineteen hundred four.

Twentieth. Estimated costs of new bridges to be built in the next two years.

Resolved, That the state assessors tabulate the above information in the order of the counties and send the same to the county commissioners of the several counties on or before September first, nineteen hundred four; that the county commissioners of the several counties are hereby authorized, empowered and directed to examine the same, and if said information is found incomplete that the county commissioners shall obtain the correct information necessary to complete and correct said returns, at the expense of the town in which deficiencies occur. Said expenses to be recovered in an action of debt against said town. The county commissioners shall certify to the correctness of said information and return the same to the state assessors by the first day of October, nineteen hundred four.

Resolved, That the state assessors shall have the same power to enforce the collection of the above information as in collecting returns for the state valuation and that said state assessors shall cause said information to be printed and report the same to the next legislature.

Resolved, That the state assessors send a copy of this resolve to the municipal officers of the several towns in the state within the month of April, nineteen hundred three.

Approved March 28, 1903.
