*Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:*

Section 1, act to amend chapter 9, R. S., approved March 15, 1905, amended.

Section 1. Section one of an act to amend chapter nine of the revised statutes, relating to the assessment of taxes on lands in places not incorporated, passed at the present session and approved March fifteenth, is hereby amended by striking out in the fourteenth line of said section as engrossed the words "on the first Monday of each" and inserting in place thereof the words 'in the months of.' So that that part of said section as amended, shall read as follows:

County commissioners may assess for county taxes.

'Section 41. Such lands may be assessed by the county commissioners according to the last state valuation for a due proportion of county taxes. Lists of such taxes shall immediately be certified and transmitted by the county treasurer to the treasurer of state. In the list, each such township and tract shall be sufficiently described, with the date and amount of assessment on each. The treasurer of state shall, in his books, credit the county treasurer for the amount of each such assessment; and when paid to him shall certify to the county treasurer the amount of tax and interest so paid in the months of January, May and September.'

Section 43, amended.

Section 2. Section forty-three of said act is also amended by striking out in the thirteenth line of said section as engrossed, the word "treasurer" and substituting therefor the word 'assessors,' so that said section as amended, shall read as follows:

Lands assessed and advertised may be redeemed, —within one year.

'Section 43. Owners of the lands so assessed and advertised may redeem them by paying to the treasurer of state the taxes with interest thereon within one year from the time when such interest commences. Each owner may pay for his interest in any tract whether in common or not and upon filing with the state assessors a certificate showing the number of acres, and describing the property on which he desires to pay the tax and where the same is located, and paying the amount due, shall receive a certificate from the treasurer of state, discharging the tax on the number of acres or interest, upon which such payment is made. Each part or interest of every such township or tract, upon which the state or county taxes so advertised are not paid with interest within the time limited in this section for such redemption, shall be wholly forfeited to the state, and vest

therein free of any claim by any former owner. But this section and the five following sections do not apply to taxes upon organized plantations taxed by the state as wild lands.'

Approved March 24, 1905.
