PRIVATE AND SPECIAL LAWS

OF THE

STATE OF MAINE.

1907.

districts for the purposes of supplying water, light and power as contemplated by the purposes of its organization, and said towns of Dixfield, Mexico and Peru, or either of them, by their or its selectmen, and any of said corporations by its duly authorized officers, is and are hereby authorized to enter into contracts with said company for the supply of water, light and power as said town or towns and other corporations may agree upon, which, when made, shall be legal and binding upon all parties thereto.

Section 7. Said corporation shall have power to cross any water course or river, or public or private sewer, when necessary for the purposes of its incorporation, but in such a manner as not to obstruct or impair the use thereof; and said corporation shall be liable for any injury caused thereby whenever said corporation shall erect any pole or poles, or lay down any pipe or pipes in any street or streets, or make any alterations or repairs in any street or highway, it shall cause the same to be done with as little obstruction to public travel as may be practicable, and shall at its own expense, without unnecessary delay, cause the earth and pavements removed by it to be replaced in proper condition.

May cross
water
courses, etc.

Approved February 13, 1907.

Chapter 50.

An Act authorizing the Milo Lumber Company to erect piers and booms.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

Section 1. The Milo Lumber Company of Milo, a corporation organized and existing under the laws of Maine, its successors and assigns, are hereby authorized and empowered to locate, erect, and maintain in Sebec river, opposite the land and shore rights of the said lumber company, in the town of Milo, in the county of Piscataquis, piers and booms, for the purpose of collecting, holding, sorting, and storing logs and other lumber in Sebec river, that belong to said company or that may be intended for use, shipment, sale, or manufacture, at the mills of the said lumber company at Milo, provided that no pier shall be built within a space of fifteen feet on each side of the center line of said Sebec river.

Milo Lumber
Co.
authorized
to erect
piers and
booms in
Sebec river.

Section 2. Said piers and booms shall be so located, constructed, used, and maintained as not to unreasonably obstruct the common use of said Sebec river, or to unreasonably delay logs or lumber running or being driven down said Sebec river

Shall not
obstruct use
of river.

CHAP. 51

and destined for use, manufacture, shipment, or sale at points below the mills of said lumber company.

May hold
and sort
logs, etc.

Section 3. Said Milo Lumber Company, its successors and assigns, are hereby authorized and empowered to collect, hold, sort, and store logs and other lumber, owned by said Milo Lumber Company or destined for use, sale, manufacture, or shipment at the mills of the said Milo Lumber Company, by, with, and at the said piers and booms, from all logs and other lumber in said Sebec river, owned by other parties, and destined for use, manufacture or sale at points other than the mills of the said company, and said company is also authorized and empowered to hold within the piers and booms mentioned in this act all logs and other lumber coming down said Sebec river, which are destined or intended for use, sale, manufacture or shipment at the mills of said company.

Shall not
delay logs
of other
parties.

Section 4. The collecting, holding, sorting, and storing authorized in section three of this act, shall be so managed, performed, and done as not to unreasonably interfere with, obstruct, or delay logs or lumber of other parties, destined for other points than the mills of the said Milo Lumber Company.

Section 5. This act shall take effect when approved.

Approved February 13, 1907.

Chapter 51.

An Act to prevent the pollution of the waters of North or Varnum's Pond.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

Board of
health
created to
prevent
pollution of
waters of
North or
Varnum's
pond.

Section 1. The local board of health of the town of Farmington, together with the local board of health of the town of Wilton, are created and constituted a board of health, who shall have jurisdiction over the territory covered by the waters of North or Varnum's pond, and the water shed that drains into said pond, situate partly in the town of Wilton, and partly in the town of Temple, in the county of Franklin. Said board of health shall possess all the powers, and shall have all the rights, and be under all the duties, which are by law conferred upon local boards of health.

Buildings
not to be
erected
within
certain
distance of
pond.

Section 2. No barn, stable, sty, privy, or outlet of any sewer shall hereafter be erected within the distance of eight rods of the waters of North or Varnum's pond, so called, or any tributary thereof, situate in the towns of Temple and Wilton, in the county of Franklin; and being the source of the water supply for the villages of Wilton and Farmington.
