PRIVATE AND SPECIAL LAWS

OF THE

STATE OF MAINE.

1907.

CHAP. 200**Chapter 200.**

An Act to authorize and empower Fleetwood Pride, his associates and assigns, to erect, construct and maintain piers and booms in Pleasant River and in its east and west branches.

Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows:

Piers and
booms
authorized in
Pleasant
river.

Section 1. Fleetwood Pride, his associates and assigns, are hereby authorized and empowered to construct, erect and maintain in Pleasant river in the town of Brownville, county of Piscataquis, and east and west branches of said river in townships numbered five and six in the ninth range, north of Waldo Patent, in said county of Piscataquis, to wit: In the said Pleasant river between the dam therein at Brownville village and mouth of the east branch of the said Pleasant river; in the east branch at or near the heads of lower and upper Ebeeme ponds in Township Five in the ninth range; and in the said east branch at or near the head of Silver lake in Township Six in the ninth range, piers and booms for the purposes of collecting, holding, separating and sorting logs, pulp wood and other lumber coming down said Pleasant river and east and west branches.

Shall not
unnecessa-
rily delay
logs and
lumber
belonging to
other
parties.

Section 2. Said piers and booms shall be so located, constructed, maintained and used that logs and lumber running down said river and its branches belonging to other parties and not destined for use and manufacture at the mill of said Pride, his associates and assigns, shall not be unreasonably impeded or delayed, and said logs or lumber of other parties when stopped for sorting shall be turned out by said Pride, his associates and assigns as soon as they can practically be sorted and separated from logs and lumber destined for use and manufacture at the mill of said Pride, his associates and assigns, and all such sorting shall be at the expense of said Pride, his associates or assigns. It shall be the duty of said Pride, his associates or assigns to carefully sort and turn out at least seven thousand logs or forty thousand four-foot pulp wood per day on the average, each week through said booms when there is that number of logs, lumber or pulp wood therein, but in case said Pride, his associates or assigns does not carefully sort and turn out the required number of logs, lumber or pulp wood then the owner or owners of logs, lumber or pulp wood being driven and destined to points below the piers and booms of said Pride, his associates or assigns, may, upon written notice to the said Pride, his associates or assigns, have the right to put on men of their own selection upon said piers and booms at the charge or expense of said Pride, his associates or assigns, in order that the required number of logs, lumber or pulp wood may be carefully sorted

—number of
logs to be
turned out
daily.

and put through said booms, and said owner or owners shall have a lien upon the logs, lumber and pulp wood of said Pride, his associates and assigns, that pass through or in said booms until the full amount of said charge and expense is paid.

Section 3. All stray logs, pulp wood and other lumber not so destined and used for manufacture at the mill of said Pride, his associates or assigns, and if found within his booms and piers, shall, upon demand of the owner of the same, in writing, be turned out by said Pride, his associates or assigns, at the expense of said Pride, his associates or assigns.

Stray logs and lumber shall, upon demand of owner, be turned out of booms.

Section 4. Said Pride, his associates or assigns, by the aid of said piers and booms are hereby authorized and empowered to separate and sort out from the logs, pulp wood and other lumber coming down said Pleasant river and its east and west branches all logs, pulp wood and other lumber destined for use and manufacture at the mill of said Pride, his associates and assigns, and said Pride, his associates and assigns, are also herein authorized and empowered to hold within the piers and booms mentioned in this act and located, erected and maintained as aforesaid, all logs, pulp wood and other lumber coming down said river and its branches which are destined for use and manufacture at the mill of said Pride, his associates and assigns.

Authorized to separate and sort logs and lumber.

Section 5. Said Pride, his associates and assigns, may enter upon, take and hold such lands as may be necessary for the location, erection and maintenance of piers and booms mentioned in this act and connect the same with the shores, and may with his or their agents and teams pass and repass over said shores and to and from the same over the lands of other persons for the purposes aforesaid and for the operation and management of said piers and booms, making compensation therefor in case parties are unable to agree, as is now provided in case of damage for lands taken in the laying out of highways.

May take necessary lands.

—may pass and repass over lands of others.

Section 6. This act shall take effect when approved.

Approved March 12, 1907.
