Chapter 151.

An Act relating to the Packing of Food.

Preamble.

Whereas, it is necessary for the packing interests of Maine that some form of official inspection of their goods be provided, and whereas the packing season begins before the first of July next, and whereas in the opinion of the legislature these facts render the immediate passage of this act necessary for the preservation of the public health, peace and safety and constitute an emergency within the meaning of the constitution, now, therefore

Be it enacted by the People of the State of Maine, as follows:

Packing of food in tin or glass, regulated.

Section 1. Any person intending to pack food in tin or glass within this state may annually file with the director of the Maine agricultural experiment station an application for a permit. Said application shall state the location of the factory, the kind of food to be packed, the name of the packer and the date on which it is expected that packing will begin.

—permit for packing food, by whom issued and fee.

Within sixty days after the filing of such application for permit, the director of said station shall, upon receipt of one hundred dollars, issue to such applicant a permit for packing said food in conformity with the requirements of the Maine pure food and drug law for the calendar year. Such packer shall also pay monthly not later than the tenth day of each month the cost of maintaining the inspection for the food packed during the previous month. The one hundred dollars paid by a person for a permit, as aforesaid, shall be credited to him, at the close of the calendar year, as a payment toward the cost of inspecting his product. Said director shall, however, have
