An Act to amend section one of chapter one hundred forty-three of the private and special laws of nineteen hundred and five, entitled An Act to amend section one of chapter eighty-nine of the private and special laws of nineteen hundred and three, entitled "An Act to authorize the Penobscot Chemical Fibre Company to make, generate, use, transmit and sell electricity", is hereby amended by inserting after the word "Bradley" in the fourth, twenty-second and thirty-third lines the words 'and between the towns of Orono and Bradley' so that said section as amended shall read as follows:

Certain acts
amended.

CHAP. 162

Company authorized to generate electricity, and to sell the same for manufacturing and heating purposes.

'Section 1. The Penobscot Chemical Fibre Company is hereby specially authorized and empowered to make and generate electricity upon its property situated upon the Penobscot river between the towns of Old Town and Bradley, and between the towns of Orono and Bradley, and also on any dam or dams which it has or may erect on its property situated on said Penobscot river as aforesaid and to use said electricity as a motive power in the use and development of its property, and also to sell the same for mechanical, manufacturing and heating purposes, and to sell the same for lighting purposes to any company authorized to do a general lighting business, or that may hereafter be authorized to do a general lighting business, and where power is sold to persons, firms or corporations for manufacturing purposes to sell the same to said persons, firms or corporations in connection therewith for lighting the premises owned or occupied by said persons, firms or corporations, and to sell the same to persons or firms desiring to do an electrical lighting business in the towns of Bradley and Hampden in Penobscot county, and to sell the same for motor power in the operation of any and all electric and steam railways, and also to carry and conduct electricity made and generated upon its property between the towns of Oldtown and Bradley, and between the towns of Orono and Bradley to and into any towns or cities in the county of Penobscot, state of Maine, and there to use the same in all ways for its own purposes, and there to sell the same for mechanical, manufacturing, heating and said lighting purposes. But nothing herein contained shall be held to authorize said Penobscot Chemical Fibre Company to do a general lighting business. And said company is also authorized and empowered to sell and supply electricity to any street railway company now existing or hereafter to be created.

—may conduct electricity into Waldo county.

And said company is also further authorized and empowered to carry and conduct electricity made and generated upon its property between the towns of Old Town and Bradley and between the towns of Orono and Bradley as aforesaid, to and into any towns or cities in the county of Waldo except the city of Belfast and to use the same in all ways for its own purposes and there to sell the same for manufacturing and heating purposes, but not for electric lighting or street railway purposes, in the county of Waldo, except to the Searsport Electric Light Company or its successors. But nothing herein contained shall prevent any corporation which may hereafter be organized under the general law from generating, selling, distributing or supplying electricity in any of the towns or cities in the county of Waldo.'

Approved March 22, 1911.
