Chapter 1.

Resolve, A Memorial to Congress in favor of the bill pending in Congress entitled, "A Bill for the Establishment of a National Park and acquiring National Forests in the Mount Katahdin region of the State of Maine."

Resolved: Whereas, it having for a long period been a wise policy of the Federal government to establish national parks and forest reserves within the domain of the United States for the use and benefit of all of its citizens, and there being no such national park on the Atlantic coast of the said United States, it would be of great importance for the people thereof to have a national park within the forest regions of the State of Maine; and whereas, there is now pending before the Congress a bill entitled "A Bill for the Establishment of a National Park and Acquiring National Forests in the Mount Katahdin region of the State of Maine;" therefore

Resolved, First: that it is the earnest wish of the Legislature of the State of Maine that the pending bill hereinbefore referred to be enacted, and our Senators and Representatives in Congress are requested to use all reasonable efforts to obtain its enactment.
